

“Stop Your Kvetching – You’re at the Beach”

a poem inspired by Nicole Stewart’s painting, *Point Lookout, Chesapeake Bay Side*

by Judy Angelheart

We’re going to the beach they said
Pack a picnic lunch they said
We’ll stop at Buzzy’s for some bait and beer

But I don’t like sand in my sandwich
Or wiggly worms
How far are the bathrooms
How long is the drive
Schlepping all that stuff down to the water

[Awhile later]

Worms on hooks
Toes in the sand
Cold beer in hand

Aah~ smell that air
What- Who- Me
Complain
Never
